Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

December 28, 2007

Sir:

Applicants hereby petition to revive the above-identified international application which was unintentionally abandoned on September 28, 2007 for failure to timely submit a computer sequence listing. Applicant believes that an improper file was unintentionally attached to its submission in response to the Notification of Defective Response. The delay from the deadline for entry into the U.S. national stage to the date of the present petition was unintentional.

In view of the fact that the abandonment of the international application as to the United States was unintentional, and that an appropriate sequence listing submission is attached herewith completing all requirements necessary for entry into the national stage, it is respectfully requested that this petition be granted and that the application filed on December 20, 2004, be accepted as timely filed under 35 U.S.C. §371.

The Commissioner is hereby directed to charge our Deposit Account No. 01-2340,
